Winter Ice Cowl

By Eleanor Swogger

This simple lace cowl is created with a strand of Sterling Silk and Silver and a strand of Fountain Hill held together throughout the pattern. Model was knit with Heavenly Blue Sterling Silk and Silver and Surf's Up Fountain Hill. The cowl can be wrapped twice around the neck or hung down for a long draping effect.

Notes:

Yarn is held together throughout.

Yarn choice: For our cowl we used a strand of Sterling Silk & Silver and Fountain Hill held together. This allows you to customize the look and make a garment that is truly unique. Pick two colors of the same shade or pick colors that contrast – the choice is up to you!

Joining the Ends: When you join the ends together you may put a twist into the cowl. Alternately, you could CO and BO as usual to make a traditional scarf.

Cowl:

Crochet a chain of about 55-60 stitches with the waste yarn. Extra stitches are crocheted to make pick up easier. If necessary a stitch can be skipped occasionally when picking up.

With Size 9 circular needle use both yarns held together to pick up 49 stitches through back loops of crochet chain.

Row 1: K2, *(yo, K2tog, K1) repeat from * to last two stitches, K2.

Repeat 1 throughout cowl until cowl is approximately 78 inches long.

Remove crochet chain, placing live stitches on second needle of same size. Complete with three needle bind off or by grafting beginning and end together. Work in ends. Block gently.
