Lace Alpaca Shawl

Designed Exclusively for Kraemer Yarns

By Ronnie Spoll

Alpaca makes this shawl cozy soft and warm. The large needles and lace design make it lightweight and fast to knit. You will want to keep it with you always to keep you looking smart on those surprise chilly afternoons or evenings.

Repeat steps 1-4 until work across needles measures 28" when slightly stretched then:

Continue working steps 1-4 BUT instead of working increases at the end of the right side rows, you will now K to the last 4 sts, K2tog, K2. All wrong side rows will remain as before.

When you get down to 6 sts all your rows will now be K but continue to decrease every wrong side row until 3 sts remain. Knit two more rows without decreasing. Bind off.
