# Crochet for Baby \* Blanket

*by Judy Head*

**This crochet blanket features a dense stitch that will keep your baby warm. The shell border is worked in a contrasting color, but feel free to make it in your favorites Kraemer colors.**

**General Notes:** The stitch pattern is a DC, SC repeat. The row always ends with a DC.

As you are working the row, a SC stitch always goes into a DC stitch in the row below. A DC stitch in the row you are working always goes into a SC stitch in the row below.

**Begin:** Ch 107 sts.

Row 1: Beg in the 3rd st from the hook \* DC, SC; repeat from \* across row. End with a DC, chain 1 and turn.

Row 2: Skip the first st, \* DC, SC; repeat from \* across row. End with a DC, chain 1 and turn.

Repeat Row 2 until blanket measures 37" long and break off yarn.

**Shell Border:** Work border around the edges as follows.

Join Contrasting Color yarn at the upper right corner of the blanket, and chain 3 sts. Put 2 DC in the same st, \*skip 2 sts, 3 DC in next st; repeat from \* across the top of the blanket.

To turn the corner, place a shell in the corner st, chain 1, put another shell in the same st.

To begin the long edge, lay the blanket on a flat surface and use dressmakers pins to mark 1" increments. Place a shell every inch along the long edge of the blanket.

Turn the corner and work the chain edge of blanket the same as the top edge.

Turn the third corner and mark and place shells along the remaining long edge. Be careful to match the number of shells to the opposite long edge.

Complete last corner and join the border together with a slip stitch. Break off yarn.

**Finishing:** Weave in ends and block if needed.
