Quilted Double Knit Afghan

by Clara Masessa

No seams to finish. This afghan takes a bit of skill and patience but the finished product is worth the effort. Double knitting creates the two sides and provides a space for stuffing. You will find it difficult to claim this afghan for yourself because everyone else will want to use it.

NOTE: You will carry two colors along as you knit. When you knit, both yarns must be in the back even though you will only knit with the one color. When you purl, you must bring both yarns to the front even though you will only purl with the one yarn. **Failure to do this will cause an unsightly bar of the opposite color to appear on your work.** ALSO: when you start a new row it is VERY important to bring the new yarn around the previous one in order to prevent holes along the side edges.

Using dark color only, CO 300 Sts

Attach light color yarn

Row 1 – Being careful not to twist yarns except when you change the color of your K stitches *(K1 dark, P1 light) 15 times, (K1 light, P1 dark) 15 times. Repeat from * across

Rows 2-20 – Repeat row Row 1

Row 21 – (Stuffing Row) *Using two double-pointed needles, separate the next 30 stitches by placing the K sts on one needle and the P sts on the other needle. This will open up the square (provided you did not twist the colors around each other while knitting). Stuff lightly then put all the sts back onto the original needle alternating P1, K1 across. Now work across the stitches in pattern. Repeat from * across row.

Row 22 – *(K1 light, P1 dark) 15 times, (K1 dark, P1 light) 15 times. Repeat from * across
 Rows 23-41 – Repeat Row 22
 Row 42 – Repeat Row 21

Repeat Rows 1-42 eight more times.
 Using dark color only bind off tightly in K1, P1 pattern.
