# Double Knitted Double Heart Scarf

*By Clara Masessa*

A warm and cozy double-knit scarf perfect for those close to your heart.

Double Knitting Notes:

Double knitting is done in a K1, P1 pattern. It is VERY IMPORTANT to bring both colors to the back when knitting (even though you will only be knitting with the one color) and both colors to the front when purling (even though you will only be purling with the one color).

It is also IMPORTANT when starting a new row to twist the starting color around the other color as you would for knitting fair isle so that you don't leave a gap along the side edges.

The K stitches provide the colors for the front side of scarf and the purl stitches provide the colors for the back side.

Ends can be concealed by using a tapestry needle and hiding the ends between the two layers of fabric.

Refer to chart on last page of pattern. Chart shows knit stitches only. Every knit stitch is followed by a purl stitch in the opposite color.

Using solid color CO 46 st(s)

Attach the variegated color and work rows 1-72 of chart 4 times, then rows 1-36 once. Bind off as follows:

Using the dark color only, K1, P1, \*K1, pass the 1st st over the next 2 sts, P1, pass the 1st stitch over the next 2 sts, repeat from \* across. End off.
